11-01-2026 FAMILY Mark 3:31-35

Jesus' [ ] came to remove him from the crowd.

This included His mom and [ ].

They feared He had become [ ] ill. (Mark 3:20)

See also John 10:20

[ ] was also described similarly by Festus. (Acts 26:24)

[ ] health in the United States from 2021-2023:

- [ ] billion spent on substance abuse and mental health services
- The average cost per person treated for mental health issues was nearly [ ].
- Ambulatory services cost [ ] billion.
- Medication cost [ ] billion.

In just over 2 decades (2000 to 2021), money spent increased over [ ].

- $40.9 billion to [ ] billion
- The primary cost increase is driven by increased [ ], not an increase per case.

Paul even admits that people will see Christian behavior as being mentally ill. (2 Cor 5:13)

How much do you think Jesus' family was prepared to spend on His mental health?

In Bible days, mental issues were closely related to [ ] possession. (Mk 3:22, John 10:20, Luke 8:35)

When is the last time you have heard any medical professional acknowledge that demons even exist?

What is your first defense for ANY health problems?

☐ on the shelf pharmaceuticals

☐ prescriptions from a doctor

☐ God-given natural substances
